

YEAR 6

CLASS 6C

AUTUMN TERM – SECOND HALF

## MEDIUM TERM PLAN - KEY QUESTIONS

How do we have day and night?

How do some countries experience daytime while others experience night-time?

**Day and Night**

Why do some countries have less daytime than others?

How does it get darker earlier in the winter?

Why do the clocks go forwards and backwards?

What would happen if we were in complete darkness all of the time?
